- If you are covered by an insurance plan that allows you to go out of network, or by one of the plans we are contracted with, we will be happy to file the claims for you; however, co-payments and deductibles are due at the time of service.
- You must notify us of any changes in your insurance prior to scheduling your appointment. We may ask periodically for a copy of your insurance information to make sure our records are up to date.

**Uninsured patients:**

- Patients without insurance are expected to pay for their services at the time the services are rendered. We accept cash, Visa, MasterCard, Discover, American Express and established checks with valid ID.
- For our uninsured patients with large treatment plans that require multiple visits, we offer Care Credit financial arrangements. Please ask our staff for details. We also offer a 5% discount to those patients with large treatment plans over \$1000.00 that opt to pay for their treatment plan in CASH-upfront at the start of the treatment. We cannot offer this discount to patients with credit cards, as there is a fee we already incur for credit card processing by the credit card companies.
